

## Music Representatives (UK & Ireland) 2009

This document lists contact details for Trinity Guildhall public centres for music examinations. These centres are open to all. Please note that the town or city listed is the normal location of the examination venue but the addresses listed are the contacts for local Representatives. Applicants should contact the local Representative for details of the venue.

Centre Representatives are responsible for organising examinations. Entries should be sent to the Representative by the closing date shown and **not** to Trinity's Head Office unless advised to do so.

The dates given for England show **the first day (Monday) of the week(s) in which practical examinations will take place** unless otherwise specified. The closing dates are in brackets. Please note that closing dates are staggered according to the week in which examinations start. For Scotland, Wales, Northern Ireland and Eire the months of examinations are shown. Please contact the Representative for details. Please be aware that due to high numbers of entries, the examinations may go into a second and third week, please check with Representative for details.

**Trinity Guildhall reserves the right to change examination dates and cannot guarantee any particular date. Final dates are dependent on many factors including level of entries and venue availability. Please check with your local Representative.**

**This listing may change during the year. Please refer to the website for updates: [www.trinityguildhall.co.uk/music](http://www.trinityguildhall.co.uk/music)**

We will continue to offer specialist examiners in **some** circumstances:

- at the Guildhall School of Music & Drama sessions held each term
- and at a **limited** number of other public centres marked **(S)** providing there is sufficient demand.

Additionally, applicants with enough candidates may use the Examiner Visit Scheme and request a specialist examiner. Further details are available from Trinity Guildhall.

The exception to this is Percussion examinations. Wherever possible candidates for Drum Kit and Percussion will be examined by an instrumental specialist and applicants may only enter candidates for Percussion and Drum Kit examinations at the centres listed in at the back of this booklet.

## **Diplomas**

Fellowship examinations may only be taken at the London centre. LTCL and ATCL Diplomas may normally only be taken at centres marked **(D)** but it may be possible to enter at other centres providing this is discussed and agreed with Centre Representatives in advance.

**Written examinations** will take place on:

9 May (c/d 23 Mar)

7 Nov (c/d 14 Sep)

Please contact local centre for details.

## **Code**

**(D)** = Diplomas can be taken at this centre

**(S)** = Instrumental Specialist sessions available, subject to number of candidates

**(T)** = Theory sessions available (dependant on number of candidates)

**ENGLAND****Ardingly** (11420)

## Appendix: Percussion and Drum Kit Centres

This appendix lists contact details for Trinity Guildhall Public Centres for Percussion and Drum Kit examinations. These centres are open to all. Please note that the town or city listed is the normal location of the examination venue but the addresses listed are the contacts for local Representatives. Applicants should contact the local Representative for details of the venue.

Centre Representatives are responsible for organising examinations. Entries should be sent to the Representative by the closing date shown and **not** to Trinity's Head Office unless advised to do so.

The dates given for England show **the first day (Monday) of the week(s) in which practical examinations will take place** unless otherwise specified. The closing dates are in brackets. Please note that closing dates are staggered according to the week in which examinations start. For Scotland, Northern Ireland and Eire the months of examinations are shown. Please contact the Representative for details.

**Trinity Guildhall reserves the right to change examination dates and cannot guarantee any particular date. Final dates are dependent on many factors including level of entries and venue availability. Please check with your local Representative.**

This listing may change during the year. Please refer to the website for updates:  
[www.trinityguildhall.co.uk/music](http://www.trinityguildhall.co.uk/music)

Wherever possible, Drum Kit and Percussion candidates in the UK and Ireland will be examined by an instrumental specialist examiner. At public centres that are not listed in this booklet it may be possible to choose to be examined by a generalist examiner. However, in this case the candidate will not have the full range of supporting tests to choose from.

At Percussion Public Centres the drum kit will consist of a snare drum, 3 toms, bass drum, Hi Hat, ride cymbal, crash cymbal and splash cymbal. A CD audio system will normally be provided for play-along pieces; please ring the appropriate Representative to confirm. Orchestral percussion, tuned percussion and timpani equipment is not supplied as standard. These examinations can be taken where the candidate can bring the equipment they require, or at the following centres:

- Bromley
- Cambridge
- Dudley
- Guernsey
- Lincoln
- London
- Northampton
- Oxford

Certain examinations and pieces require different equipment and applicants are asked to make their requirements clear at the point of entry.
